Kim,
To a really sweet (HA) guy
I've known for so long. Seems like forever.
How do we get stuck sitting beside
each other all the time? I'll never know.
We've had a lot of great times together & I'm sure
there's a lot more to come. I hope we stay good
friends for a long time. Keep your great personality
And you'll go far. Good luck with your future plans.

God Bless,
Love Always

Jim,

To a really nice guy.
I've known for a long

all fun times on the bus!
You've been a great friend.
Good luck in whatever you do

last year how upset Terri
would get after you and something
to her. May God bless you in everything

Jim,

So a very mean dude who likes to "bust" on people and makes me feel like crying every now and then! No, just kidding(?) I think underneath all that "busting" is a really sweet, and sensative guy. Don't start blushing, but I think you're pretty cute too, and even though everyone wears the same uniforms in school, I think you always look the classiest. I hope we can become better friends through this school year. Maybe we even will be friends by the time we graduate. :)

Love,

Sara

P.S. When are you going to take a long walk off a short pier! :)
